Subject: Extension Request: [Assignment Name] – [Course Code/Name] – [Your Full Name]

Respected Professor [Professor's Last Name],

I hope you are having a productive week.

I am writing to respectfully request a brief extension on the [Assignment Name], which is currently scheduled for submission on [Original Due Date].

Due to [reason for request] that occurred this week, I have found it difficult to maintain my planned study schedule. I have already completed the initial research and have a rough draft of the first few sections underway; however, I want to ensure that the final version of the assignment meets the standards of the course.

Would it be possible to submit the assignment by [Proposed New Date, e.g., Friday, October 20th] at [Time]?

I have attached my current working draft to this email so you can see the progress I have made so far. I truly appreciate the material we have covered in class, and I want to make sure my submission reflects what I've learned.

Thank you very much for your time and for considering my request. I look forward to hearing from you.

Best regards,
